

**Peace Across the Planet
Vero Beach Shiva Lingam Listening
Initial Ceremony Words, November 2009**

“Breathe.

*When was the last time you breathed
your pure freedom into the world?*

Now is your moment.

Join me.

Join us.

*Breathe the fullness--
the glory and the spectacle of you--
and of our evolving into the millennium of true transformation.*

Now is our moment.

Breathe.

Breathe with me.

Breathe with freedom.

*Breathe the peace we have always intended
and are right now
co-creating.*

Breathe

again

and

again

now.”
