

Peace Across the Planet
Open Mind Centre Shiva Lingam Listening
Initial Ceremony

*“Today is the day.
Open your hearts wider than dream’s horizons.
We welcome in the oceans of all feelings
and the earth of acceptance.*

*They are
joined,
seamlessly intermingled
in this
breath.*

*In this inhale
we draw in every hope
every delicate, Herculean vision.*

*In this exhale
we sweep away
the doubt that we never wanted to believe
regardless.*

*In the space between the breaths
between the worlds
between doubt and truth
we merge gloriously
like ocean to the land—
Acceptance.
All we are
all we know is
Acceptance.*

*It is us.
It saves our sweetness
to love another day,
in and out,
completely connected
to all happenings
even to all imaginings.*

*Now we have birthed
Peace.*

*Peace is the result of every feeling
planted upon the earth*

in acceptance.

*Together
we have created peace
where there was only struggle with what is.
Now the acceptance has made the fields of our possibilities
Home.*

Welcome Peace. Welcome us.”
