

Peace Across the Planet
Tucson Shiva Lingam Listening
Initial Ceremony September 2008

“Ho!

*The echo of evolution stretching across our
Earth Mother
sighs in me.*

*It sings in my roots
to hug our sweet mother
and all her kind children.*

*O humans of the Earth Mother,
this is the sweet time
for our most sacred thoughts
feelings
acts.*

*Whatever we do now in
holiness
makes us all whole
immediately
perfectly.*

*The Crystalline Grid swirls exponential magic
into every ritual
into every breath inhaled with joy
and exhaled through peace.*

*Enter your hearts.
Enter your rituals
here.*

*They grow beyond
imaginings
into the fullness of
Truth.”*
