

Peace Across^{the} Planet
Shiva Lingam Listening
For Samhain 2009

*“Magic is everywhere
and perhaps even more importantly for you:*

Magic is Everyone.

*Magic is you
and everything that you do and be.*

Are you acting upon that miracle?

*Do it!
Lean into the incredible alchemy
of being and doing
human divinity
on the Earth Mother
Now.*

*You are brave to stand strong in this season
of utter transmutation and mystery.*

*Bring the magic of your every cell
into every moment
every breath
every vision
every whisper
every smile
even every doubt.*

You are the Magic that creates the

Dream."
