

Peace Across the Planet
Arizona Shiva Lingams Listening March 2009

"I am here.

Where are you?

*What inspiration captures your intent?
Which direction stores your roots?*

I am Shiva Lingam.

Who are you?

*What thoughts weave your attention?
Which dreams grasp your lifetimes?*

I am Crystalline Grid Keeper and Recorder.

What are you?

*What manifestations spring from your hands and feet?
What Spirit do you follow when you delight or fear?*

*I listen for your answers,
for your ways,
for your fears,
for your kindness.*

*Bring them all to my body and heart
for I judge none of them ever.*

*Wherever Whomever Whatever
you be,
you are,*

I match all of you with deepest honorings.

*I know well that courage brings you next to me now
because courage is what brings you to the Earth Mother
in this brave and haunted season—
this previously untouched, unimagined growth,
transformation,
love-beyond-words, ways, fears, kindness.*

*All stands freely seen in my open and opening eyes
for that is the courage that I bring,
that stands me here upon the Earth Mother
that roots me in this place
in this ritual
with you.*

*Meet me
with all that you are
with all that you do.
Let us hug all the gifted challenges to our hearts
here and now
so that all that you are,
all that you do,
bravely becomes
Peace.”*
