

Peace Across the Planet  
Sedona ChocolaTree Shiva Lingam Listening May 2009

*"Rise up!*

*You dance.  
You sing.  
You soar into the heavens  
while caressing the Earth.*

*That is your gift.  
That is your piece.*

*I root down.*

*I grow wise in the stillness  
I whisper across the ethers.  
I lean into the Crystalline Grid  
into the heart of the Earth Mother.*

*That is my gift.  
That is my piece.*

*We are the kiss of heaven and earth  
in the kindest embrace imaginable.*

*See it in our smiles  
our daring dreams!*

*That is our peace."*
