

Peace Across the Planet
Tucson Shiva Lingam Listening May 2009
(Alice and Eileen's Location)

*"Listen.
Be soft in your body.
Be welcoming in your heart.*

You think there is so much to do.

*Listen.
Everything upon the Earth Mother
tells her story
spreads her generosity
shares her cycles of life and death.*

*Listen.
Be soft in your body.
Be welcoming in your heart.*

*You can hear the stories
when you lean into them.
When you breathe
the wisdom and the love
of all the Earth and her beings
comes to you on the wind.*

*They remind you of how to be
the oneness
that you intend
body and soul.*

*Listen.
Be soft in your body.
Be welcoming in your heart."*
