

Peace Across the Planet
Silver City Shiva Lingam Listening March 2009

“Do you know what time it is?

*There is no time
as you have already understood it.
It slips gloriously instead
into the mysterious seasons of the Earth and the Stars come together.*

*It now stretches you beyond yourself.
It runs into dimensions that before you didn't dare.*

*Come to me.
Stand with me.
Bring your heart down into our roots.*

Smile.

*Together we brave the timelessness of
No-Time.*

*Now anything can happen
because you no longer have to measure—
and therefore limit—
the unknown adventures of being.*

I know that you think you don't know how to do this.

No one does.

*That is why it is the timeless time of
No-Time.”*
